## Enjoy Your Massage

<b>Chair massage</b> (15 minutes) .....	15.00
<b>Basic relaxing massage</b> (30 minutes) .....	30.00
<b>Hot stone massage</b> (One hour) .....	65.00

Releases the sluggish flow of blood and built-up toxins that gather in tired or overworked muscles. Good to relieve tension and heal sore and pain muscles. Hot stone massage involves the application of water-heated basalt stones to key point on the body, giving a deep massage and creating sensations of comfort and warmth. Then, a hand deep tissue massage and a warm towel. The direct heat relaxes muscles, allowing manipulation of a greater intensity than with regular massage.

<b>Couple massage</b> (One hour) .....	130.00

Enjoy a relaxing massage side by side designed for couples. Imagine you and your loved one being massaged and soothed to the sound of ocean waves with soft lighting, gentle music and glowing candles to take you both away from it all.
