Dear Dr. Richard Repp:

On behalf of the College Music Society I would like to thank you for serving as the CMS Campus Representative at Georgia Southern University. Your service in this position is critical in getting information out about The College Music Society and what the society has to offer college and university professors and students. Your assistance as Campus Representative has been greatly appreciated.

I hope you are interested in continuing to serve in this capacity.

Please take a moment to complete the form located at:

<http://www.music.org/campusrepform.html> at your earliest convenience.

Whether your answer is yes or no, filling out this simple online form is crucial in keeping your CMS record as up-to-date as possible and in keeping our contact information current.

I would be pleased to receive any questions or suggestions you might have about the CMS Campus Representatives program. My addresses and phone number are given below. Again, thank you for your service to the College Music Society. The assistance of dedicated colleagues like you is what makes the work of the College Music Society possible.

Sincerely,

Douglas Ovens
College Music Society Vice-President
